

UNITED STATES DISTRICT COURT

FOR THE EASTERN DISTRICT OF CALIFORNIA

BRANDON EUGENE HUNTER,
Plaintiff,
v.
BRENNEMAN, et al.,
Defendants.

No. 2:22-cv-1141 DJC CKD P

ORDER

At a settlement conference held February 13, 2025, a settlement agreement was reached. The parties have requested an extension of time within which to file a stipulation of dismissal. Good cause appearing, that request will be granted.

Plaintiff has filed several documents complaining about a delay in receipt of the settlement funds. Among other things, plaintiff asserts this delay should result in the court ordering a higher payment. The amount payable to plaintiff is dictated by the terms of his settlement agreement, and delay does not entitle him to a greater sum than that to which he agreed. Plaintiff asserts the court should award him post-judgment interest in accord with U.S.C. § 1961, but that statue applies when the court awards money damages for a successful claim, not as a mandatory term of settlement.
